

ON-LINE questionnaire

for SAUGEEN CONSERVATION'S 2010 to 2015 STRATEGIC PLAN

We would appreciate your input!

Like any organization, the mission and services of Saugeen Conservation must respond to changes in the world around them.

1) Is there one *global* or widespread trend that you think Saugeen Conservation will be affected by, over the next decade?

2) What challenges or questions might that trend or factor pose for the role and services of Saugeen Conservation.

3) What opportunities might that trend or factor pose for the role of Saugeen Conservation and the need for its services?

4) Is there one *local* trend or factor within the environment, communities, or municipalities in the Saugeen watershed that you think Saugeen Conservation will be affected by, over the next decade?

5) What challenges might that trend or factor pose for the role and services of Saugeen Conservation?

6) What opportunities might that trend or factor pose?

One purpose of strategic planning is to take stock of the organization, to identify where it is doing well and where it needs to improve.

a. Name one strength that you identify for Saugeen Conservation? How could it use that strength to do even more for the community?

b. Name one weakness that you see? How could Saugeen Conservation improve in that area?

Additional Notes /Comments:

Let's get results from this process! Strategic planning helps the Saugeen Conservation Board and staff to be accountable for getting done what the community wants done.

a. Tell us ONE SPECIFIC RESULT that you want to see Saugeen Conservation achieve over the next 5 to 10 years.
