Assistant Water Resources Technician

Organization: Saugeen Valley Conservation Authority

Location: Formosa, ON

Website: svca.on.ca

Posting Date: April 28, 2015

Deadline: May 15, 2015

Job description: assist staff in the Water Management department, including the Water Quality Specialist and the Manager of Water Resources and Stewardship Services. Assist with benthic invertebrate collection and sampling; surface water and ground water sampling; assist with program implementation.

Duties:

- Assist with the duties in the Water Management section of the SVCA including assisting the Water Quality Specialist and Manager of Water Resources and Stewardship Services;
- Assist with various aspects of the SVCA water quality program that includes Provincial Water Quality Monitoring Network, Provincial Groundwater Monitoring Network and the Ontario Benthos Biomonitoring Network within the watershed;
- Conduct data entry and aid in the manipulation of datasets;
- Assist Water Resources Manager on capital work inspections including a dam removal project;
- Other duties include assisting the stewardship services program and other SVCA staff as necessary.

Requirements:

This position is made possible with support from Canada Summer Jobs and only applicants who meet all of the following criteria will be considered:

- Between 15 and 30 years of age at the start of the employment;
- Have been registered as full-time students in the previous academic year and intend to return to school on a full-time basis in the next academic year;
- Canadian citizen, permanent resident, or person to whom refugee protection has been conferred under the Immigration and Refugee Protection Act³; and,
- Legally entitled to work in Canada in accordance with relevant provincial/territorial legislation and regulations.

Watershed Member Municipalities
